GREENWOOD SCHOOL

- AWAY FROM 17 BUENA VISTA AVENUE -  
2009-10 School Year

I, the undersigned parent/guardian of \_\_\_\_\_, acknowledge my understanding that the Greenwood School program for 2009-10 includes fieldtrips to various local Bay Area locations during school hours. Transportation for fieldtrips outside the immediate Greenwood School locale will be provided by our School Bus, driven by our properly licensed bus drivers. Occasionally, field trips are arranged by faculty or class parents, who will organize parent volunteers, obtain their drivers license/insurance paperwork, arrange for our GWS bus (driven only by properly licensed drivers) or in some instances arrange rental vans to be driven by teachers or properly-licensed parents.

I understand that Greenwood School will verify that drivers are properly licensed and that insured cars have adequate seat belts, and that medical release forms for all children will accompany each driver. I also understand that Greenwood School insurance coverage is in place to supplement individual drivers' insurance. Any questions about specific transportation for any fieldtrip should be directed to the teacher or class parent.
